Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take 18eighteen anywhere you go.

Here are the highlights of this issue's bonus scenes.

Sweet-faced Casada Chase is a dirty girl. But she cleans up nice! Here, we see her washing off after a workout. Her perky, round boobs, gum-drop nipples and shaved pussy will drive you wild. She's everything you want in a teen girl.

Sexy redhead Christine Michaels gets messy. First her boyfriend rubs chocolate syrup on her nipples. They go to the bathroom for her to wash up, but she ends up getting even more sticky with his cum.

Sarah Starr can't play the guitar for anything. We're lucky she doesn't strum it for very long before she starts strumming her clit instead, rapidly progressing to plugging her puss with a plastic fuck stick.

Raven Lynn knows there's nothing like a game of Twister to turn two friends into fuck buddies. All those bent-over, sexual positions really get these two in the mood. Raven tells this guy to put his left foot on blue and his hard prick in her mouth.

Are you horny? Sasha Bleu is. So she puts on a sexy strip show for you. Once she's naked, Sasha fingers her young twat, moaning and squealing the whole time.

Missy Vega does who she wants, when she wants, wherever she wants. It's that no-fucks attitude that got her in trouble in the first place, but being in detention isn't going to stop her. She wants the monitor's cock and she gets it...in her mouth, on the table, from behind and from below.

Who wants to play cards with Britney Brooks? It's a guaranteed win, buddy. This busty, blonde teenie gets so horny that she flings cards and poker chips off the bed and goes at her cunt like a mad woman.

Kita Zen fulfills a lucky pool boy's fantasy. She throws herself at him and from one second to the next he's got her bikini bottoms off and his tongue in her slit, followed soon after by his cock. Kita massages his balls as she rides him, and then lets him give her the pounding of her life!

Mandy Hudson is cumming for you. She loves to play with her pussy when she's home alone, and she especially loves doing it in front of a camera. She gets horny knowing that guys jack off while they watch her cum.

Katie Lewis lives at home and getting off can be such a pain. So she has to take advantage when her parents are out. She calls her boyfriend over for a quickie, and they get hot and heavy as soon as he walks in the door.

Quality Over Quantity

Dear Virgin Territory,

Sabina from your Vol. 24 No. 1 issue is a smoke show. The way she undresses is perfection, first teasing us with an ass shot and then flashing us her tits and pussy while she's still wearing clothes. Sabina is the perfect example of not needing to have huge breasts to have nice breasts. Her

breasts are on the smaller side, but they're a lovely shape and so perky. And the way her nipples jut out makes my mouth water. Her slightly puffy pussy was equally enticing. My only lament was that her layout was only 6 pages. Such a beautiful girl.-M., Indianapolis, Indiana

Dear M.,

We agree that Sabina has a stellar rack. Here's a photo for further evidence. You can also check out another photo of her on page 75 of this issue in the Boob Buffet special.

Everly Puckers Up

Dear Virgin Territory,

I think it's annoying when people are on their phones too much; however, I condone it if they're taking nudes like Everly (and preferably sending them to me). She's got a tight, little body, and I can just imagine how much fun I'd have with her if she'd let me. Thanks for those hot spread shots of her. She has a tempting pussy and butthole. In fact, I think her butthole is my favorite thing about her. It looks super tight, and it has a nice pucker to it. I bet I could barely fit my finger in there, but with a little tenderness, lube and patience, I think I could get more than just my finger in there. At the very least, I'd love to lick her butthole up and down and see where it goes from there. Any guy who gets to bury his face in that crack is lucky.-K.N., via email

Dear K.N.,

We're not sure what Everly's stance is on butt play, but nevertheless, here's her

brown eye winking at you.

The Comparison Game

Dear Virgin Territory,

I would like to see more comparison pics in your magazine. Think flat teens with SCORE and XL models as

well as models of different races. There's something about seeing the contrast of two vastly different bodies or skin colors that turns me on so much. And if you can get them to have sex with each other, even better. I would love to see a tiny teenie sucking on a huge XL model's tit and vice versa or a white, blonde-haired teen eating an older black woman's pussy. Diversity is something that should be celebrated, so please bring us some of these photos in your magazine.-K., via email

Dear K.,

We love this idea. We have done a shoot like this in the past with Renee Ross and Sophia Sutra, as you can see in the photo we included here. It's been quite a while, but it's time we revisit this concept. Thanks for writing in.

Back to School Review

Dear Virgin Territory,

I got 18 eighteen Vol. 24 No. 2 today, and it's the Back to School issue-my favorite issue of 18eighteen. My, oh, my, this issue looks sweet. Just looking at the covergirls, they are very dirty girls: Emma flashing her bra, Hayli flashing her panties and Jessica with her hand down her panties. I love it.

First there is Emma. Wow, she is so cute. I like her pictures on pages 23 and 25. I really like the view of her pussyhole. Please tell me she is doing a hardcore set next. Jessica, like Emma, is also very cute. I like the red tartan skirt and the nice little bush underneath her panties. My favorite pictures are on page 33—especially the top picture, as I would love to munch on her pussy and ass—and page 34. I saw from the DVD review she has a hardcore set as does Honey, and Honey is next. What a honey she is. She's gorgeous and hands down

my favorite girl of the issue so far. She looks beautiful in her school uniform and glasses, and she has fantastic tits. I also love her bush. What an amazing combination—big tits and bush. I would love to run my fingers through her bush and cum all over it. My favorite pictures of Honey are on pages 38, 41, 42 (top photo) and 40 (bottom photo). I can just imagine me fucking her pussy and ass, pulling out and cumming all over her in that position. Her bush, belly, big tits, tongue and face would get some nice warm cum.

Next there's Michelle. She has nice red hair but no schoolgirl uniform,

sadly. She's hot and has a good hardcore set, but I don't like her cum shot. I hope I will get to see Michelle again in solo in 18eighteen. Next is Leda. I can't remember what issue of 18eighteen she was in. Anyway, she's cute with a good hardcore set and nice cum shot picture. I enjoy seeing her play with the cum.

Renka is okay. I am not sure about her. She has nice pictures on pages 68 and 71. It's nice to see the school outfits are continuing with Hayli, and she has the first appearance of the schoolgirl tie. Hayli is sexy, and my favorite pics of her are on pages 75, 77 and 79. Please tell me she will be back in 18eighteen again. Reyna is a very nice girl with an ugly tattoo, but

I still love her. She is very cute. I like her pictures on pages 83 and 85. Will I see her do a hardcore set soon?

Next is Braylin. I love the blue tartan skirt, and she's very sexy with a good hardcore set and an okay cum shot. It could have been better. My favorite pictures of Braylin are on pages 91, 93 and 95. So overall it was a good issue. I was much happier with this issue than Vol. 23 No. 5 as you had eight girls out of nine in school uniforms with a variety of uniform styles. I think my favorite is the old traditional one like Havli's or Sherice's from Vol. 23 No. 5. The more up-to-date uniforms like Emma's and Honey's are nice too, but you can't beat the uniforms Leda, Reyna and Braylin have on. Renka's is cute too. It looks similar to Elle's in Vol. 22 No. 4.

I would give this issue a nine out of 10. It would have been 10 out of 10 if Michelle had a schoolgirl uniform on and her cum shot was better. But it was nice to see lots of new girls in 18eighteen. My favorite was Honey, hands down. I was not sure about the Japanese girl; I think it was the hair color. My favorite Japanese girls are Yui from the Dec. '14 issue, Mari from July '14 and Mai from Aug. '14.

Also, thanks for not using guys who are covered in tattoos, like the guy who fucked Natalie in Vol. 23 No. 6. I also don't like to see girls with lots of tattoos. One or two small tattoos are fine on the girls, but I don't want them covered in them. Thanks.-J.M., Falkirk, Scotland

Dear J.M.,

Emma didn't do hardcore for 18eighteen, but you can see her in a hardcore layout in Naughty Neighbors Vol. 27 No. 1. Leda was not in 18eighteen prior to the Vol. 24 No. 2 issue. We don't have any more sets of Hayli, and Reyna did hardcore in the Vol. 24 No. 3 issue. We're glad you liked the issue.

American Pie

Dear Virgin Territory,

Jessica from Vol. 24 No. 2 is a sexy schoolgirl who has it going on. I appreciate that she looks like a good girl, but she really isn't. She has that classic all-American look, and I

would eat that American pie all day long. I find the little patch of hair she has above her pussy to be extremely hot. It's not too much and not too little; it's just right. Her butthole also looks mighty tasty. She sure seems like a pro at spreading it, as evidenced by her stretched pucker at the top of page 33. Does that mean we'll see her in some illicit anal action soon? I sure hope so.-E.M., North Hempstead, New York

Dear E.M.,

Jessica didn't do anal for us, but you'll be seeing her pretty pussy stuffed with cock soon.

Nostalgic Over a Modern Girl

Dear Virgin Territory,

I gotta tell you, the girls didn't look like Emma from Vol. 24 No. 2 where I went to school. And their skirts certainly weren't that short, although I wish they were. Might've given me a reason to show up to class...not that I'd be paying attention. Growing up in a small, rural town in the late 70s, I didn't see too many pretty girls. And the ones who were at least mildly attractive got out of town before they could marry whatever local farmer and spend the

rest of their lives popping out kids and milking cows. Magazines like yours were always my escape from my boring small town. I've long moved out of there and into a larger city, but I still enjoy looking at dirty porn mags, especially yours.

Porn mags are few and far between these days. Sure, I look at porn on the internet, but I'm old school. I like holding paper in my hands. And I'd sure love to hold Emma in my hands. There were many beauties in the Vol. 24 No. 2 issue, but Emma is my favorite. I'll keep it classy, but suffice it to say that I would do all kinds of things to her body if she'd give me the chance. I've always been a giver, and I'll leave it at that. I hope I'll get to see more of Emma so I can think of all the ways I'd give to her.-R.W., Raleigh, North Carolina

Dear R.W.,

The girls are always hot when 18eighteen takes you Back to School. You can see Emma's hardcore in Naughty

Neighbors Vol. 27 No. 1 and online at 18eighteen.com.

Reyna Reigns Over His Cóck

Dear Virgin Territory,

Reyna looks like she's an easy cummer, and that's my favorite kind of girl. She looks like she's comfortable with her body and has an exhibitionist streak. I definitely get naughty/bad-girl vibes when I look at her photos. It's something about the way she smiles so devilishly and confidently while she spreads her pussy. And she clearly has no qualms about sticking her perfectly manicured butthole in the camera. I can't wait to watch her XXX video on 18eighteen.com and see her cum all over a cock. I adore her pretty face and hot body, and to see her shuddering from a full-body orgasm while a big cock plows her would really send me over the edge. This is definitely one girl I will be keeping my eye on. I sense big things in her future, if you catch my drift.-N.L., via email

Dear N.L.,

Check out Reyna's hardcore scene in Tight & Stretched 3 and see just how much a bad girl she really is.

MOVIE PREVIEW

When school's out, the cocks go in. Six stuffed student snatches!

Freshly 18, Natalie is sucking and fucking in knee-high socks. She slides onto her guy's cock and enjoys it as he pounds away, her B-cups jiggling. She's a rough rider, slamming her pussy down on his dick. Then he unloads on her face.

Kristin didn't know much about football, but the new coach sure had her interested. With a game plan of her own, it was time to make her play. Attacking his defenses, she had her sights set on making a...

By Joe Monks

Illustration by Otis Sweat

It was far from gym class as usual. Half the gymnasium had been closed off due to a leak. With the retractable dividers closed, it had turned the hardwood into a mini football field, and Troy Dean was all over it. Why wouldn't he be? He was the team quarterback, after all, and half the guys in class were his teammates. Mr. Hessick wasn't terribly enthusiastic, but Mr. Randall, the hot young stud who coached the team, gave in. Extra practice for his guys? Kristin thought she heard him say, "No brainer," as he walked back to his office.

"All right!" Hessick called. "Odd alphabet letters on this side, the rest of you over there."

It was a pretty even split, putting Kristin right where she wanted to be. Though clueless about football, she knew Troy would treat his guys like he did on game nights. She pointed at Jason, Troy's tight end. That, she'd noticed—as had most of her friends. She and Liv had even gone to an away game just so they could watch him in those skin-tight uniform pants. Jealousy showed on her classmates' faces. Getting to put your hand all over Jason wouldn't have been a hardship for any of them. Kristin didn't mind—she didn't plan on playing long.

It went just as she expected. Troy throwing mostly to the guys he played with. And, eventually, when he looked Jason's way, Kristin was ready.

Jumping in front of the ball didn't seem that risky when she first thought of it. Whoops. She crumpled, the wind knocked out of her. Mr. Hessick raced over to see if she was okay. He couldn't raise her shirt all the way—the ball had hit her right under the boob—but the bruise was sizeable.

"Go see coach," he instructed. "Ask him to put some liniment on that. Nice play!"

You have no idea, Kristin thought, holding her side and hustling out of the gymnasium.

Coach's office was by the locker rooms. Kristin, hunched over, hobbled in. Coach Randall, who'd only graduated a few years ago, jumped up.

"What happened?"

She sat on the athletic table and explained, seeing the guilt on his face. Nice. The game was going according to her plan.

"Mr. H said to have you rub some liniment stuff on it," she went on, lifting her shirt much higher than in

the gym.

"Uhhhh, okay," Randall stammered, turning to the trainer's locker. By the time he turned back, she had one sleeve out of her shirt, her left bra cup totally exposed.

It was clear that Randall was now on the defensive, trying to remain cool. But he'd taken a good long look at her barely-concealed boob, and he'd have to be referee-blind not to have noticed her nipple sticking through the fabric. God-dayummm but it was hard!

"Here," she said. "Let me unhook this for you."

"No! I mean, no, that's not necessary," Randall gathered himself,

uncapping the tube.

"Is that, like, gonna be all warm and sticky on me?" she asked, nodding at the liniment. Randall squeezed the tube, and a big shot of clear goop spurted into his hand. Kristin giggled.

"What?"

"Reminds me of something," she said, the double meaning obvious.

"Hang on," he warned, the palmful of cream all over his hand.

"To what?" she asked, giving her bottom lip that sexy little bite she knew turned guys on. Coach Randall's face paled.

He stepped behind the table. Kristin guessed he did that so she couldn't see his erection. There was no doubt he had a hard-on, though...and it was raging.

His hand on her ribs made her bloomers wet. She sighed as he rubbed the greasy gel into her bare skin, letting him think he'd escaped the pressure. Then she leaned back, her shoulder resting against his chest, giving him a view right down her bra. She felt his hand tighten, thumb right under her tit.

"Ooh," she cooed. "That sure does feel nice."

"That oughta give you some relief," he said, voice catching. He capped the tube.

"You're not just gonna leave this all over me, are you?" she squealed. "I can't get dressed like this. Can't you, y'know, rub it in more?"

She knew he could. Not surprisingly, though, he was more worried about putting his hands back on her. His sweatpants looked like he was trying to hide a softball down there.

"I guess," he conceded, deliberately trying to keep his hand lower on her side. Kristin had expected that. She'd snuck a finger under her bra to shift it even higher. Kristin might not have had much to brag about up top, but her boobies were firm and her nips and areolae were swollen. The underside of her small breasts

were clearly visible now, and when Randall came around the side of the table, they caught his eye big time.

"Wow," he winced. "That's gonna be some bruise."

He held up her arm, using the heel of his hand to rub in the excess ointment.

"Not what you expect from a guy's balls," she conceded. He looked up, smirking. Perfect, she thought, and threw the Hail Mary.

"W-whoa! Kristin!" he exclaimed, breaking the lip-lock she'd laid on him. "What are you doing?"

She shifted, bringing her foot up against his crotch. It was hard, all right. Like a piece of rebar.

His eyes dropped, noticing that she'd kicked off her sneakers. Her other foot rose along his thigh.

"Kristin, y-you need to stop..."

He had her by a hundred pounds and could bench press her mom's Toyota. She waited for his hands to pull hers off his drawstring. It didn't happen.

She slipped off the table and onto

her knees, tearing down his shorts and wrapping her lips around his throbbing cock.

"Kristin, you can't!"

"Mmshurr I cann," she mumbled around his prick. "Arren'th you watching?"

He was now. Not just watching, staring. Kristin took her hand off his nuts and reached behind her back, popping her bra clasp. To coach, it was one of the sexiest things imaginable. A girl on her knees, unfastening her bra with nothing more than thumb and forefinger. Those swollen areolae came into view, and she felt the response...against her tonsils.

"But you're a student!"

She used the opportunity to take him out of her mouth...and switch hands.

"Don't worry. I wont tell," she teased. "Plus, I'm 18 now."

There were no further protests. Kristen worked his heavy balls, jacking him with both hands while slobbering over his tip.

Periods were 40 minutes at Starkhaven High, and Kristin saw they were about 15 in. Much as she wanted to let him erupt in her mouth, she wanted to take advantage of every minute they had.

She dragged her fingernails over that dee-lish ass of his and quit the cocksucking, jumping back atop his desk. She wrapped her hand around his whistle, pulling on the lanyard.

"Whattya say?" she asked, pulling down her shorts. "Feel like sharing a little natural ointment with me?"

He watched her panties roll down her thighs, exposing her dripping wet pussy.

"No, not yet," he whispered, shaking his head. For the first time, Kristin felt concerned.

"Why no—"

She never got to finish. Coach threw her legs apart, pulling her calves behind his neck. He buried his face in her twat, tongue hitting her clitty like a machine gun.

Kristin lay back, Randall's hands finding her pert boobs and pawing them like an animal. Heat shot through her gash, the papers on his desk soaking up her dew.

"Don't stop," she begged. "Make me cum in your mouth!"

A finger thrust into her cunny, making her back arch. She bounced,

TACKLE FOR A SCORE

slamming into the desktop, head spinning, bordering on her first climax of their fuck session. She wondered how many lay in store.

"S-s-sooo close," she whimpered. "Soooo—"

His second finger sent her around the bend, hips bucking, hands gripping the desk, which was now spattered with teen nectar and shredded report cards. She bit her lip now for real, trying to hold on as the coach stabbed into her sweet spot with that dirty tongue of his.

Cum flooded out of her. Kristin hadn't gotten off so good in months. She wrapped her thighs around his cheeks and held on for dear life, reaching a third climax, then surviving a fourth.

She had to pull on his hair to get him to back off, his face looking like she'd rubbed liniment on it. He stood up, looking quite pleased with himself. Kristin's eyes stole to the clock. Now where the hell did he think he

was going?

Before he could retreat, Kristin caught his attention, the tips of her toes nudging his balls. He looked down at her.

"Need some more?" he asked, sounding much more confident than he had ten minutes ago. Kristin dropped to the floor, staring at him, rubbing her right nipple.

"Not winded already, are you, coach?" she asked before turning and bending over, calves taut, rising on the balls of her feet.

What Kristin hadn't been blessed with in the titties department, she'd been given around back. Though slim-hipped, she had a heart-shaped ass that Jill, her bestie, had told her was what guys noticed most. Kristin had spent plenty of nights in front of the mirror in this very position—bent over, face in the sheets, working the front door with her vibrator while a fingertip toyed with her rear entry. After the first time she tried it and nearly soaked the floor, she always made sure to put paper towels between her feet—to keep one carpet from getting soaked.

Randall's hands gripped her hips, holding her steady. Kristin braced herself. His cock parted her folds.

She wanted to scream but couldn't. Even with the door closed, her classmates would be heading for the locker rooms any minute, walking right past this office.

"You're so tight!" Randall grunted, Kristin hanging on for dear life. At first, she wasn't sure she could take him all. She hadn't been able to deep throat him, gagging both times she tried. Not that she wouldn't mind a third, she thought, gritting her teeth, the desk shifting beneath her.

"Unnggghhh!" she moaned, pressing her face into some of the paperwork she'd gotten sloppy. The whole desktop smelled like pussy!

That's what five cums'll getcha...

Another thrust, deep into her canal, her walls bulging with his girth. Fuck, he was big. Kristin struggled to catch her breath, the thrusts increasing in pace. Hadn't the desk been closer to the clock?

"OHHHH!" she cried, biting into her fist. This was it. Two or three more strokes and...

STATE OF THE STATE

She orgasmed, knees slamming into the wood as Randall continued pounding her from behind. His balls—the ones she'd had in her mouth not five minutes ago—were slamming into her lips, stretching them even further.

"Ohhh, myyyyyy, g-g-g-g-o-d," she yelped, the desk shaking like a carnival ride as she climaxed again. What was that, six? Seven? She'd lost count at this point. Just like she'd lost track of the time.

Uh-oh...class was ending!

Randall pulled out and slung her onto the desk like a sack of potatoes. He knelt by the edge where she'd left a quart of pussy juice and lifted her legs high. Kristin glanced toward the door. The pre-alarm bell rang. Within thirty seconds, footsteps could be heard. Coach grinned down at her wickedly.

Then he drove into her, pumping her cunt full of dick.

She came instantly. Spittle flew from her mouth as she tried to hold in her scream. Coach pulled her right foot up by his cheek and gave her arch a kiss.

Then he doubled-down, plunging into her with enough force to adjust her vertebrae, the desk sliding.

"I-I'm, I'm gonna scream!" she hissed, girl cream oozing between her ass cheeks. Randall tilted his head up just enough to kiss her on the mouth, his tongue and lips tasting like her snatch.

"T-they're gonna hear!" she protested, but Randall knew he had her. She was too close to turn back now. In fact, both of them were.

He pounded her, relentless and with one solitary goal in mind—he wanted that scream, all right, and Kristin, pinned beneath him with no hope of slowing him down, had no choice but to let it happen.

"Last one, you ready?" he asked, breath hot on her cheek. What could she say? Even though it was the fuck of her young life, she couldn't stop him. Didn't want to, truth be told, even though it'd likely get her expelled and him fired. Her back bent as the wave of the oncoming orgasm coursed through her. Definitely, she thought. Was too late now...

The cum that ripped through her turned her insides to jelly. Kristin threw her head back, the twitching in her thighs making her legs lock. She

lay there, immobile, the sound building deep in her heaving chest.

Randall cupped the back of her head, pulling her face against his chest. Kristin let loose a howl that would have shamed a horror movie victim. She dug her nails into his back, clinging to him, the taste of his sweat in her mouth.

He put her hand on his sac, pulled out, took aim, and fired.

He came in ropes, jacking a stream of boiling ballsauce all over her belly and titties. He jizzed like he hadn't spooged in a month, draining his balls all over her.

She took over, short-stroking him as the waning spurts of the nut butter monsoon rained down on her. Even then, not satisfied, she guided him up beside her, sucking up the remnants of his load, using his cock to scoop the rest of his sperm onto her tongue.

The class bell rang. She hadn't even noticed another five minutes had passed. Coach staggered back, using a report card to wipe his dick.

They dressed quickly. Kristin was going to be late for English, but who cared? It'd probably take all class to walk upstairs, as rubbery as her legs felt. Coach grabbed a memo pad from a drawer and scribbled something.

"What's this?"

"It's a late pass. I'm sure Ms. Dallen will understand, given your injury and all."

He gave her bruise a gentle peck. Kristin pulled on her shirt and took his nod as a sign she looked passable. Like she didn't just get fucked silly. She winked at him and headed for the door.

"Hey, Kristin?" he said, stopping her before she left.

"Yes, coach Randall?"

"I'll let Mr. Hessick know you should probably take a couple classes off. Just come here. We can see if there's still any...swelling. 'K?"

She put a hand on her ribs, giving him a knowing nod.

"Will do," she said. "Feels like it could give me trouble for the rest of the week."

"That's the thing about, er, soft-tissue injuries," he said, approaching her and cupping a perky boob. "Never know how long they're going to...linger."

On her way up to English class, she thought about that...and detoured into the girls room.
